**CASEY KASEM RINGS IN THE NEW YEAR FOR TV LAND  
WHEN HE HOSTS "NICK at NITE'S 1991 RERUN COUNTDOWN"**

NEW YORK, December 9, 1991 -- "Should old acquaintance be forgot," then NICK at NITE and Casey Kasem are here to help you remember. For the third year in a row, master hit-lister Kasem is bringing his counting "magic" to TV Land, where he will host NICK at NITE's annual countdown of the 25 most memorable reruns from the past year. NICK at NITE'S 1991 RERUN COUNTDOWN promises 12 1/2 continuous hours of small-screen chart-toppers, and airs Tuesday, December 31 from 12:00 noon to 12:30 am (ET/PT).

This year's special, year-end event comes to you direct from the NICK at NITE Club, complete with a 4-piece musical combo and live audience. It's just another example of TV Land settling for nothing but the best. After all, NICK at NITE is the expert on "good TV," and who better to "count 'em down" than Casey Kasem, host of the weekly music countdown "Casey's Top 40," syndicated over the Westwood One Radio Network. Tune in and let NICK at NITE provide the perfect party mix for your New Year's Eve celebration.

And, as an added treat, NICK at NITE will conclude the marathon of great TV Land moments by presenting a "classic" mystery special at 12:30 am (ET/PT). You won't want to miss this fabulous find from the TV Land vaults. Programs which have aired in this prestigious slot in the past include such sensational variety programs like THE SONNY & CHER NITTY GRITTY HOUR and THE BRADY BUNCH VARIETY HOUR.

(more)

How are the year's top 25 shows chosen? The process begins with a review of ratings, viewer requests, critical commentary, and NICK at NITE's own in-house polls. Then, using this collective information, a top team of NICK at NITE, "good TV" experts determine final rankings. Generally, the top 25 will include the quintessential or particularly bizarre episodes -- those featuring special guest stars or cameos, key transitions, or famous firsts. In any case, each is an unforgettable chapter in TV Land history.

Although no one knows which episodes will make the final cut, strong contenders include the following: Chuck Connors ("The Rifleman) guesting as Sylvester J. Superman, who is mistaken for the man of steel on THE ADVENTURES OF SUPERMAN; GREEN ACRES' Hooterville Community Players putting on a stage version of "The Beverly Hillbillies;" the legendary "Blue Boy" episode of DRAGNET examining the problem of LSD in the hand of teenagers; Frankie Avalon visiting PATTY DUKE in Brooklyn Heights; and THE DICK VAN DYKE SHOW in which Laura tells America about Alan Brady's toupee.

During the countdown, Casey Kasem will also be providing anecdotes and heretofore unknown revelations about the stars and the shows. So, chill the champagne, break open the noisemakers, and make a mad run for the reruns this New Year's Eve. It'll be the best party in town. You can "count" on it!

NICK at NITE'S 1991 RERUN COUNTDOWN is sponsored by Sudafed and Burger King.
