First of all, many thanks from Casey and all of us for the generous plugs many of you gave his two TV appearances a few weeks ago. Even though the odds were about a million to one, the producer of the Dean Martin Special (Casey was Hitler) actually heard one on an unidentified station (we think it was KGB, San Diego). This is nice because that producer, Greg Garrison, is now totally sold on the power of radio. Seems that special was in the top 10. First time Dean Martin's placed in the top 10 in 5 years. Of course we all knew years ago that radio's really where it's at.

And secondly, get set for the upcoming special, "The 40 Most Extraordinary British Hits of the Rock Era". It's being cut today and tomorrow, and, as show #742-1, it will be shipped on Friday, March 29, and scheduled for broadcast the weekend of April 6-7. The music will be great and the special material Casey and his crew have assembled will be extra-interesting.

To celebrate the special, we'll be including three special voice-only promos as extra cuts on the program discs for 741-11. That's next week's show. Please look up the cuts on the accompanying cue sheet and dub them off right away before scratches set in. They will plus ahead to (a) coming up on the next AT40 (b) on AT40 tomorrow, and (c) today on AT40.

And thirdly, I'll be at the N. A. B. in Houston (March 17-20). Watermark will have a room at the Hyatt Regency, and we'll be having open house every afternoon from 1 till around 7. If you're in town, please stop by.
