TO: AMERICAN TOP FORTY SUBSCRIBERS  
FROM: Johnny Biggs, Distribution Manager  
Watermark  
DATE: March 27, 1982

Enclosed you will find your first national advertiser-supported AMERICAN TOP 40 Program, #822-1. It is to be aired the weekend of April 3 and 4. This is per your agreement with the ABC Contemporary Network.

The Network commercials are included in the show and we've provided two means of identifying Network spots and local inserts, which are self-explanatory:

1. Format Clock
2. Show Cue Sheets

On the show cue sheets, you'll find cues for Network commercials. Operators can then insert local material at the beat between Network commercials and the AMERICAN TOP 40 logo. The beat is about one second,

Immediately following the Network outcue, the operator simply starts his cart machine, fades out the master disc and re-cues the master disc to the AMERICAN TOP 40 logo which gets the program started again and re-establishes continuity.

As in the past, always inspect your discs on arrival to be sure there is no damage from shipment. If you haven't received your program by Wednesday prior to air date, call us at Watermark on our toll free number, 800-423-2502.

Watermark is now a part of ABC Radio Enterprises. We will produce and distribute AMERICAN TOP 40 for the ABC Contemporary Network. We intend to continue the same kind of quality service we have always provided in the past. If we can be of help or if you have any questions, please feel free to call me.
