1) WALK RIGHT IN (:27)

Hi, this is Casey Kasem. Well, number one songs, these days continue to have the rug jerked out from under them. One week a piece is about all they've been getting. Last week, after one week on top, Bruce Hornsby and The Range fell out, and The Bangles bounced into number one with "WALK LIKE AN EGYPTIAN." Now Wang Chung are in position to step up to number one with "EVERYBODY HAVE FUN TONIGHT." When does the revolving door at number one stop revolving? We'll find out, on American Top 40.

2) BRUCE IS BUSTIN' OUT ALL OVER (:22)

Hi, this is Casey Kasem. Who's America's top rocker? A lot of people will tell you it's "Bruce." The number one album in the land is the five record set by Bruce Springsteen and the E Street Band. The first hit from that album, Bruce's remake of the song "WAR" climbed to number eleven last week, looks like it's top ten bound. Whatever happens on the official Billboard survey, we've got it covered on American Top 40.

3) BILLY BEATS THE ODDS (:27)

This is Casey Kasem. One of the hit records everybody's talking about is "AT THIS MOMENT" by Billy Vera and the Beaters. Billy and his band have been playing the Hollywood club scene for years, and now, thanks to exposure on the TV show "Family Ties," their five-year old recording of "AT THIS MOMENT" has hit it big: last week number 22 and still climbing fast. We'll be watching, as Billy Vera beats a clear path up the chart on American Top 40.
