WITH SHADOE STEVENS

TOPICAL PROMOS

TOPICAL PROMOS FOR SHOW #891-08 ARE LOCATED AT THE END OF SIDE 4A
DO NOT USE AFTER SHOW #891-08

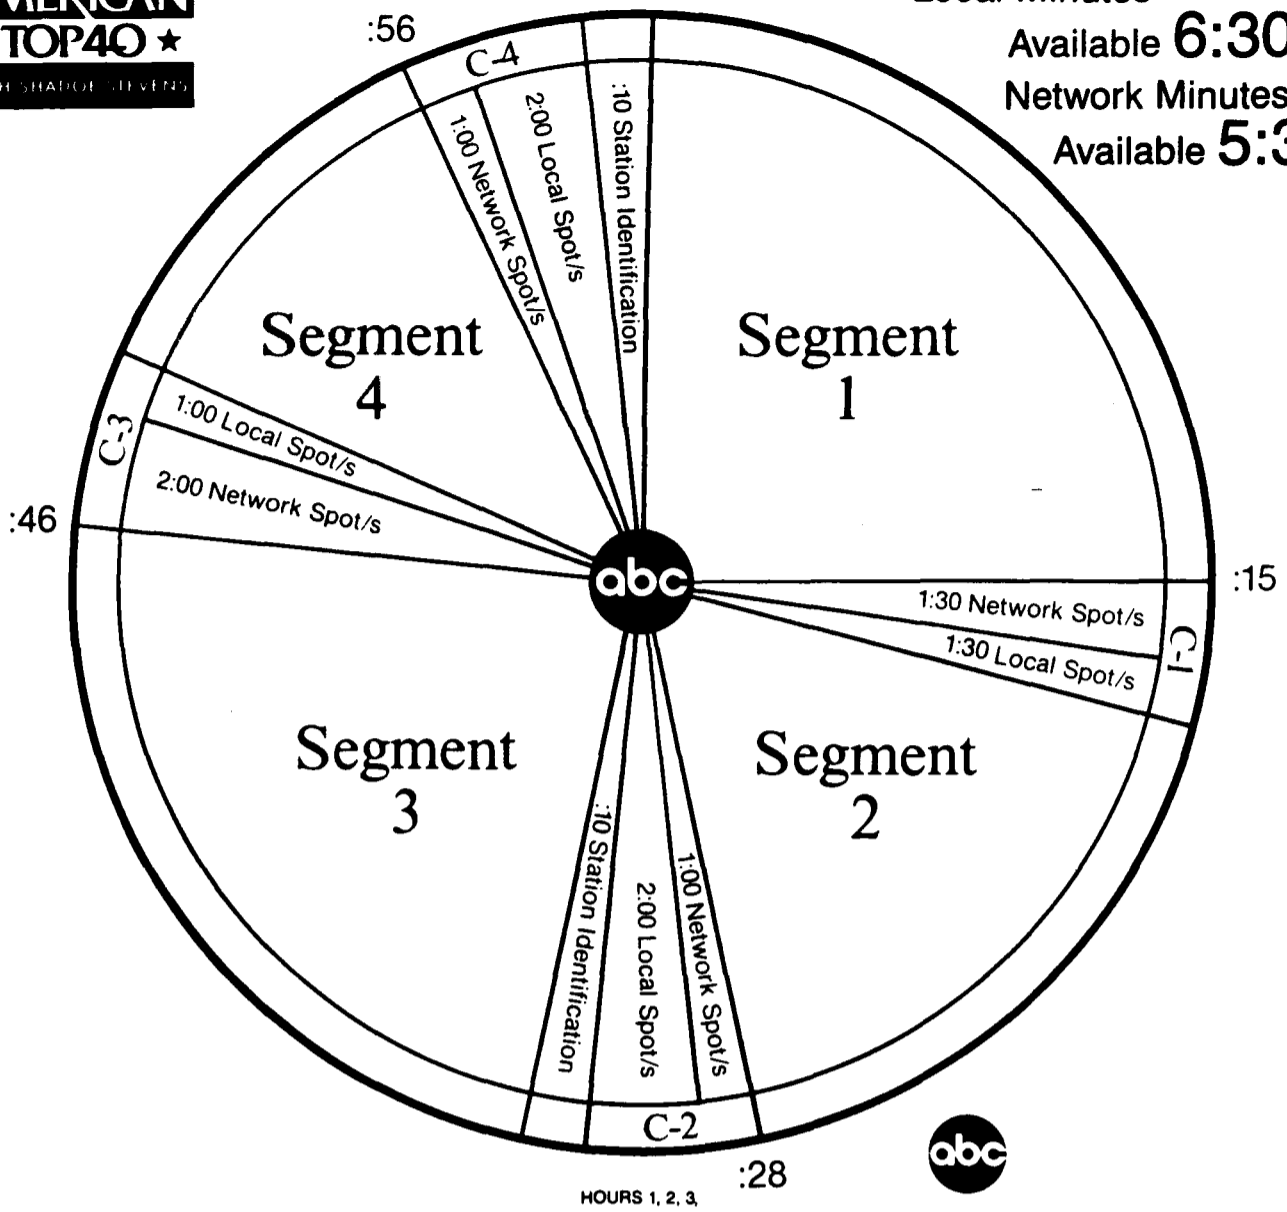

1. **BORN TO BE A WILD THING** :26
Hey, Shadoe Stevens on American Top 40. Last week, singer and dancer Paula Abdul took her first Top 40 hit "STRAIGHT UP" to number 1. But down below, putting the lock on number 3 was rapper Tone Loc with "WILD THING." And rockin' up to number 4 was Bon Jovi with "BORN TO BE MY BABY." Will Paula do her #1 dance again this week...will Tone Loc do the Wild Thing on top...or is Bon Jovi born to have another number 1? We'll find out, when we countdown the biggest hits on the official Billboard Chart...on American Top 40!

2. **WILL ROY RETURN?** :23
Hi, Shadoe Stevens on American Top 40. When he died late last year, we lost one of the legendary voices of rock 'n roll. From "ONLY THE LONELY" to "PRETTY WOMAN," there was only one Roy Orbison. But before he died, he completed a new album called "Mystery Girl," and the first single "YOU GOT IT," is climbing the Official Billboard Chart. Roy Orbison could return to the top 40 after more than 22, by debuting this week...on American Top 40.

3. **THE BEDROCK BOP** :22
Hey, Shadoe Stevens on American Top 40. This record was a dance floor smash across Europe last year, stomping it's way across the borders. Now it's climbing the Billboard chart...a piece of prehistoric pop called "WALK THE DINOSAUR," by the group "Was (Not Was). Call it a Stegosaurus Shuffle or a Brontosaurus Bop...Was (Not Was) could walk the countdown into the countdown this week...on American Top 40.

4. **AN ELECTRIC YOUTH** :20
Hi there, Shadoe Stevens on American Top 40. Last week, she had the biggest mover in the countdown, leaping nine notches to #12 with "LOST IN YOUR EYES." It's the first hit from her album, "Electric Youth." What kind of High-Voltage Billboard Chart Charge will Debbie Gibson take this week. Is she top-ten bound? D'Shadoe knows...counting down...on American Top 40.
