1. **HIT HISTORY AS IT HAPPENED** :42

Hi, I'm Shadoe Stevens. Last week, American Top 40 listeners found out Mariah Carey has made chart history with the first #1 live remake of a former #1 studio hit, "I'll Be There". That's first taken to the top in 1970 by the Jackson Five. Meanwhile, Michael Jackson and Janet Jackson were the first brother and sister ever in the top ten on different hits. Vanessa Williams set an all-time record for women with sixteen weeks in the top ten with "Save the Best For Last". Not to mention a Sneek Peek at a new song from the B-52's and stories about George Michael and Eric Clapton. It all happened right here and who knows what hit history will happen this week in the countdown? Ah, D'Shadoe knows, on American Top 40. (LOCAL TAG)

2. **UNDER THE BRIDGE AND OVER THE TOP?** :25

Hi, Shadoe Stevens, AT40. It's been two weeks at #1 on the Billboard chart for Mariah Carey and "I'll Be There". Will she be there for a third week in a row? Watch out! The hottest alternative band to break on through to the hit side are now at #3 with "Under The Bridge". Will those 'Loialapalooza' tour headliners The Red Hot Chilli Peppers go over the top to #1? There's only one way to find out, why don't you count 'em down with me, right here, on American Top 40. (LOCAL TAG)

1. If you're a recording act, it's got to be exciting when you hear your song on the radio or see your video on TV for the first time. It's probably hard to believe. Well it was VERY hard to believe for the band, LINEAR. When they first hit a couple of summers ago with "SENDING ALL MY LOVE" they were just FLYIN.' And when their video came on TV? Well listen to Charlie, Joey, and Wyatt:

**LINEAR ACTUALITY: (:54)** "We were in Houston Texas, me and Wyatt were sharing a room, and I guess it was late, maybe I'd say about 2 o'clock in the morning. And we're watching 'Night Tracks.' So we're talking, I was going into the bathroom to brush my teeth. All of a sudden we hear, 'And now, a trio from Ft. Lauderdale,' so I stopped! We're from Ft. Lauderdale, I figured well maybe we'll know who's on this, we'll maybe we'll know who it is!! So I stopped and listened! Maybe I'll know... fifty fifty chance! All of a sudden they go, 'Now, burning up the charts with their smash hit," I looked at Wyatt, he looked at me, my mouth dropped! I was like, come on, come on, give me Linear, "SENDING ALL MY LOVE." And he goes 'Linear, "SENDING ALL MY LOVE.'" I was like... (makes excited noises!) I ran to the phone, dialed Charlie... said "Charlie C-C-C-come! 10... put it on!" Hung up the phone, I was just sitting there, and I always have something to say, more or less!. I was speechless. I was in awe. There was nothing I could say. That had to be one of the most exciting experiences I had so far. Out of town. On a TV station I don't know of, seeing our video at 2 o'clock in the morning."
